Coordinator Responsibilities

****It shall be the responsibility of each LFRD to maintain detailed, accurate records and documentation of activities for each participating member. Future audits of this program are anticipated. Please maintain security of social security numbers!**

****Please alert volunteers in October or November if they are close to the 50 points but may not realize they are not there yet! Your job will be easier if you maintain monthly statistics rather than waiting until the year of the end.**

****Prior to sending the annual certifications to the LOSAP Administrator, the listing should be posted at the LFRD for member review to resolve any questions or problems and avoid appeals.**

****Once the FRC approves the LOSAP submission, copies will be distributed to each LOSAP Coordinator. Please provide copies to all members and have the volunteer sign a form noting receipt of the document. If the volunteer does not come to the station, please mail the form.**
